**Project Description:** (please use a separate page if necessary)

Eagle Rock Aggregates (ERA) proposes to construct and operate the ERA Oakland Terminal Project (Project), a marine terminal at the Port of Oakland that would import, store, and distribute bulk construction aggregates (i.e., sand and gravel). The Project is located at the Port of Oakland's Outer Harbor Terminal and would utilize Berth 22 vessel and barge operations and approximately 18 acres of Berth 20, 21, and 22 backlands (land directly adjacent to a vessel berth) for stockpiling and distribution of construction aggregates. The Project site lies within the boundary of the Oakland Army Base (OAB) Area Redevelopment Plan.

*Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.*

## Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".  
If you have already sent your document to the agency please denote that with an "S".

_____ Air Resources Board	_____ Office of Historic Preservation
