Project Title: Fiddletown Road Bridge Replacement Project (Streambed Alteration Agreement No. 1600-2016-0161-R2)

Project Location (include county): The Fiddletown Road Bridge Replacement Project is located on North Fork Dry Creek, a tributary to Dry Creek, in the County of Amador, State of California, U.S. Geological Survey (USGS) map "Fiddletown"; Latitude 38.502984"N, Longitude -120.753055"W.

Project Description: The California Department of Fish and Wildlife (Department) has extended Streambed Alteration Agreement number 1600-2016-0161-R2, pursuant to section 1602 of the Fish and Game Code to the project Permittee, Amador County Transportation and Public Works, as represented by Mark Hopkins.

The project consists of removing and replacing the existing structurally deficient and obsolete Fiddletown Road Bridge. The Project is limited to the replacement of the existing Fiddletown Road Bridge over the North Fork Dry Creek with a new cast-in-place concrete slab bridge. This new bridge would be located on the existing alignment with geometric enhancements that meet County roadway standards.

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described extension to the Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Lake and Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
