**SUBJECT: *Filing of Notice of Determination pursuant to Public Resources Code section 21108***

**State Clearinghouse Number:** 2018082018

**Project Title:** River Walk Trail Extension (Lake or Streambed Alteration Agreement No. 1600-2020-0175-R2)

**Project Location (include county):** The project is located along the western bank of the Sacramento River, in the County of Yolo, State of California; Township 9N, Range 4E, U.S. Geological Survey (USGS) map 'West Sacramento', Mt Diablo Meridian; within portions of Assessor's Parcel Numbers [APN] 010-102-002, 010-102-003, 010-102-004, 010-102-005, 010-102-010, 010-103-001, 010-103-002, 010-372-001, 010-372-002, 010-372-003, 010-374-001, 010-374-002, 010-482-003, 010-482-100, 010-493-001, 010-493-002, 010-493-006, 010-493-007, 010-493-008, 010-990-004, 010-990-012, 010-990-014, and the Union Pacific Railroad Right-of-Way.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2020-0175-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, the City of West Sacramento.

The project consists of the construction of approximately 2,650 feet of Class I multi-use trail along the top of the Sacramento River levee and the extension of the existing trail adjacent to the Sacramento River channel. The trail will be a 12-foot wide concrete path with 1-foot shoulders adjacent to the river and a 12-foot wide asphalt concrete path with 1-foot shoulders on top of the levee. Five trees will be removed from the vicinity of the trail adjacent to the river, including two Fremont cottonwoods, two valley oaks, and one black walnut.

The project will not include any work within the wetted portion of the Sacramento River.

A variety of construction equipment will be used including a backhoe, bar bender, chain saw, clam shovel, ground compactor, air compressor, concrete mixer truck, concrete pump truck, concrete saw, crane, dozer, drum mixer, excavator, flatbed truck, front end loader, generator, gradall, grader, jackhammer, mounted impact hammer, pavement scarifier, paver, pickup truck, pneumatic tools, pumps, roller, and scraper.

The project is part of a larger overall project to create a safe, Americans with Disabilities Act (ADA)-compliant pedestrian/bicycle connection between two existing portions of the North River Walk Trail. In addition to the two Class I routes along the Sacramento River and the top of the levee, a "high-water route" along D Street, 3rd Street, and 2nd Street will be constructed. This route will be constructed outside of the levee.

**Notice of Determination****-2-**

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the  mitigated negative declaration /  negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures  were /  were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan  was /  was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The  mitigated negative declaration /  negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
