Project Title: Summit Wind Repower Project (Lake or Streambed Alteration Agreement No. 1600-2016-0337-R3 Amendment 1)

Project Location: The Summit Wind Repower Project (Project) is located north of I-580 on the western side of California's Central Valley east of Livermore within Alameda County.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2016-0337-R3 Amendment 1, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Jiddu Tapia/ Altamont Winds, LLC.

This project involves installation of up to 26 new more efficient wind turbine generators (WTG), improvements to related infrastructure and roads within an existing decommissioned wind site, and removal of existing below grade turbine foundations that obstruct placement of Project facilities.

The Amendment includes changing crossing type of SD-21b and SD-36 from Horizontal Directional Drilling to open-cut trenching. The collection lines will be placed within a 60-foot-wide work corridor for the two-collection cable run.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on November 1, 2019, and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will / will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was / was not adopted by CDFW for this project.
6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
