Good Morning Ms. Kendrick,

RTA has reviewed your plans regarding the Rancho Diamonte project and we have several comments:

1. An ADA compliant bus stop with connect sidewalk at the following locations:
 - a. New Stetson Road FS Street A (Mustang Way). Will there be a crosswalk and/or traffic signal at this intersection?
 - b. New Stetson Road FS Street B. Will there be a crosswalk and/or traffic signal at this intersection?
 - c. Warren Road NS Street B. Will there be a crosswalk and/or traffic signal at this intersection?
 - d. Warren Road NS Street A (Mustang Way). Will there be a crosswalk and/or traffic signal at this intersection?
 - e. Will there be a crosswalk and/or traffic signal at the intersection of the new Stetson Road and Warren Road?

Thank you for considering these comments.
