Request to withdraw SCH Number 2017021004

To Whom It May Concern:

California Department of Fish and Wildlife (CDFW) is the CEQA responsible agency for the Desert Knolls Wash Phase II Flood Control improvement Project. CDFW submitted a Notice of Determination (NOD) for State Clearinghouse Number 2017021004 with an incorrect project approval date. CDFW requests that the first NOD submitted by CDFW be withdrawn and replaced with this corrected NOD that identifies the project approval date as 10/05/2022.
