NOTICE OF DETERMINATION
(Public Resources Code section 21108)

File Ref: W27079
SCH#: 2009072044
Item: 37

Title: Mowry Bridge Replacement Project

Proponent: City of Mendota

Location: Sovereign land in Fresno Slough, near Mendota, Fresno County.

Description: Replace failing bridge with a sound structure capable of continuing to support the City's sole raw water pipeline from the city well field east of the bridge into the City and to support construction equipment needing access to the U.S. Bureau of Reclamation's Mendota Pool Bypass and Reach 2B Improvement Project, a component of the larger San Joaquin River Restoration Program. The State Lands Commission action is an approval of a 25-year General Lease - Public Agency Use to the City of Mendota through June 22, 2045.

This is to advise that the California State Lands Commission, as Lead Agency Responsible Agency, approved the above described project on June 23, 2020, and made the following determinations regarding the project.

- 1) The project will will not have a significant effect on the environment.
- 2) An Environmental Impact Report (EIR) and Addendum were prepared pursuant to the provisions of CEQA.
- 3) Mitigation measures were were not made a condition of the approval of the project by previous Commission action on April 20, 2017.
- 4) A mitigation reporting or monitoring plan was or was not adopted for this project by previous Commission action on April 20, 2017.
- 5) A Statement of Overriding Considerations was was not adopted for the project by previous Commission action on April 20, 2017.
- 6) Findings were were not made pursuant to the provisions of CEQA by previous Commission action on April 20, 2017.

An Environmental Impact Report (EIR) was prepared for this project by the California State Lands Commission and certified on April 20, 2017. The City of Mendota prepared and adopted an Addendum to the EIR on February 27, 2020. At this time, the Commission's offices are closed to the public due to public health and safety concerns regarding the Novel Coronavirus (COVID-19). Please contact Commission staff for the most up-to-date information on the availability of the EIR, Addendum, and the record of project approval.
