SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2017022027

Project Title: Honeydew Bridge (No. 4C-055) Replacement Project (Lake or Streambed Alteration Agreement No. EPIMS-HUM-35948-R1)

Project Location: The project is located on Mattole Road, in the community of Honeydew, Humboldt County, at Latitude 40.2442, Longitude -124.1249.

Project Description: The Humboldt County Public Works Department will replace the Honeydew Bridge on Mattole Road over the Mattole River in the unincorporated community of Honeydew in southwestern Humboldt County, California. The existing bridge is structurally deficient, functionally obsolete, and does not comply with modern geometric and seismic standards. The project will replace the existing single-lane camelback through-truss bridge with a new two-lane bridge over the Mattole River in the same alignment. The existing bridge will be demolished. A new two-column bridge support pier will be the only permanent structure required below the ordinary high-water mark in the active river channel. The project will also include a downstream temporary detour bridge for seasonal use during the summer construction season.

This is to advise that CDFW, acting as the Lead Agency / a Responsible Agency approved the above described project and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. CDFW considered the Environmental Impact Report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to Public Resources Code section 21081, subdivision (a).

The Environmental Impact Report prepared for the project is available to the general public at the office location listed above for the Lead Agency.
