SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number: 2018051053
Project Title: Regional Water Reclamation Facility (RWRf) Upgrades and Expansion Project
Project Applicant: Elsinore Valley Municipal Water District (EVMWD)
Specific Project Location: EVMWD's RWRf is located at 31315 Chaney Street in the City of Lake Elsinore, approximately 0.5 mile northeast of Lake Elsinore. The proposed construction trailers site addressed in the Second Addendum to the MND is located between the RWRf and Strickland Avenue, encompassing Assessor's Parcel Numbers 375-291-007 through 375-291-015 (Coordinates 33.685472°N, 117.346197°W).
General Project Location (City and/or County): The proposed project is located within the City of Lake Elsinore in western Riverside County.
Project Description: The proposed project component addressed in the Second Addendum to the MND consists of the temporary installation and use of construction trailers at a site adjacent to the RWRf, including minor site grading, installation of the trailers, utility and communications lines connections, and chain link fencing. Following construction of the RWRf expansion, the trailers, utility and communications connections, and fencing would be removed. The MND being addended addressed EVMWD's proposal to expand its RWRf from an existing capacity of 8 million gallons per day (MGD) to 12 MGD. An NOD for the proposed project was filed with the State Clearinghouse on July 31, 2018. The first Addendum to the MND addressed additional construction staging and laydown areas; an NOD for that first Addendum was filed with the State Clearinghouse on April 5, 2022.

This is to advise that the (Lead Agency or Responsible Agency) has approved the above described project on July 27, 2023 and has made the following determinations regarding the above described project:
