NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

In compliance with the California Environmental Quality Act (CEQA), the City of San Juan Bautista Planning Department has undertaken environmental review for the proposed State Route 156 and The Alameda East-Bound Right-Turn Lane Addition and intends to adopt a Mitigated Negative Declaration. The City invites all interested persons and agencies to comment on the proposed Mitigated Negative Declaration.

Lead Agency: City of San Juan Bautista

Project Location: State Route 156 at the Alameda, San Juan Bautista

Project Description: The proposed project is a 450-foot long, right turn lane plus 120-foot bay taper within Caltrans' eastbound State Route 156 right-of-way to accommodate vehicle deceleration and right turns onto southbound The Alameda. A Class II bike lane and a four-foot-wide paved shoulder are included. The new improvements will replace an existing 8-foot shoulder with a 6-foot bike lane, 12-foot right turn lane and 4-foot shoulder for a net new widening of 14 feet.

Public Review Period: Begins – April 4, 2025
Ends – May 5, 2025

Proposed Mitigated Negative Declaration is Available for Public Review at these Locations: City of San Juan Bautista
311 Second Street
