SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (if submitted to State Clearinghouse): 2016011026

Project Title: Pacoima Spreading Grounds Improvement Project/Pacoima Spreading Grounds Basin Enhancement Project

Project Applicant: Los Angeles County Flood Control District

Project Location: Paxton Street and Arleta Avenue, City of Los Angeles, County of Los Angeles
(APNs 2648-012-904 & 905, 2647-015-900 through 902, 2617-014-904 & 905)

Project Description:

On September 12, 2023, the Los Angeles County Board of Supervisors, acting as the governing body of the Los Angeles County Flood Control District, approved a construction contract change order to (1) address a change in sediment handling that would increase the volume to be exported by a worst-case estimate of approximately 211,000 cubic yards over the volume addressed in the MND adopted on March 9, 2021 and require an estimated 41 additional working days and (2) address modifications to the newly installed perimeter fencing requested by the City of Los Angeles. Planned fence modifications include elimination of fence spears and application of a fresh paint finish over the galvanized coating, and possible pillars at the site entrances. Regarding the additional sediment export, daily on-site construction activity and the total daily and hourly truck trips to the designated sediment disposal sites would not change from the information disclosed and analyzed in the adopted MND. Furthermore, the additional 41 working days would be within the 36-month maximum construction period analyzed in the adopted MND.

This is to advise that the Los Angeles County Flood Control District has approved the above described project on September 12, 2023 and has made the following determinations regarding the above described project.

- 1. The project [X] will [ ] will not have a significant effect on the environment.
2. [ ] An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
[X] A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [X] were [ ] were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [X] was [ ] was not adopted for this project.
5. A statement of Overriding Considerations [ ] was [X] was not adopted for this project.
6. Findings [ ] were [X] were not made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

900 South Fremont Avenue, 11th Floor, Alhambra, California 91803
