Project Location: Hollister San Benito
City *County*

Project Description (Proposed actions, location, and/or consequences).

As evaluated in the 2014 WHWTP EIR, the District is implementing an expansion of the WHWTP design capacity from 4.5 MGD to 6.75 MGD. The expansion is necessitated by forecasted increases in treated water demand and the need for drought resilience in the District's service territory.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Based on the analysis included in the Addendum, the Project would not result in any significant effects after mitigation. All potential impacts would be less than significant.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
