SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2016072028

Project Title: Collecting Canals: Dean Culvert Replacements (Streambed Alteration Agreement EPIMS Notification No. 1600-2019-0208-R2)

Project Location: This project consists of five locations within the Dean Cattle Farm Property and the Sutter Collecting Canals in Sutter County, CA.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed an amendment and extension to Streambed Alteration Agreement Notification Number 1600-2019-0208-R2 pursuant to section 1602 of the Fish and Game Code to the project Applicant, Department of Water Resources, as represented by Mitra Emami.

The original project included replacement of 6 culverts within the Sutter Collecting Canals.

The amendment includes the removal of culvert replacements #1 and #5 from the Project Description; the removal of new culvert installations AC-1 and AC-2 from the Project Description; and the addition of the replacement of two (2) deteriorated 36-diameter corrugated metal culverts at the corner of Bogue Road and Schlag Road with two (2) precast concrete box culverts to the Project Description.

CDFW is also extending the of expiration of the Streambed Alteration Agreement, from March 2, 2025, to March 2, 2028.

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described amendment and extension to the Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.

Notice of Determination

6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the amendment and extension of the Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
