SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code § 21108

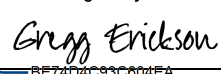

State Clearinghouse Number (if submitted to State Clearinghouse): 2017102004

Project Title: Llano Road Intersection Improvement Project Amendment 1 [California Endangered Species Act (CESA) Incidental Take Permit No. 2081-2017-032-03 (ITP) Amendment 1]**Project Location:** The State Route 116 at Llano Road Left Turn Project (Project) is located at the intersection of State Route (SR) 116 and Llano Road near the City of Sebastopol, Sonoma County in the state of California from Post Mile (PM) 30.9 to PM 31.4. Latitude, 38.358284, Longitude, -122.769606 in the Mt. Diablo meridian.**Project Description:** Caltrans proposes to install traffic signals, construct a left-turn pocket and replace an existing double box culvert with a clear-span bridge with retaining walls on the south side of SR116. The Project will also relocate an existing drainage system and install a new drainage system, widen the shoulders to standard width and install new pavement on SR116.

This Amendment No. 1 will not increase total impacts to Covered Species habitat and will only increase the number of seasons in which it will take to complete the project from one season to two seasons. This will not result in the increase of impact to habitat for the Covered Species and shall not cause individual covered species the potential for take through increased habitat impacts. The Amendment referenced above as issued by CDFW authorizes incidental take of species listed under CESA that may occur as a result of Project implementation.

This is to advise that CDFW, acting as the lead agency / a responsible agency approved the above-described project on 6/12/2020 and made the following determinations regarding the above described project:

- The project [will / will not] have a significant effect on the environment (This determination is limited to effects within CDFW's permitting jurisdiction as a responsible agency).
 - An environmental impact report / A negative declaration was prepared by the lead agency for the original project.
 - Additional mitigation measures [were / were not] made a condition of CDFW's approval of the project.
 - An amended mitigation reporting or monitoring plan [was / was not] adopted by CDFW for this project.
 - A Statement of Overriding Considerations [was / was not] adopted by CDFW for this project.
 - Findings [were / were not] made by CDFW pursuant to Public Resources Code § 21081(a). CDFW did, however, adopt findings to document its compliance with CEQA.
 - Compliance with the environmental filing fee requirement at Fish and Game Code § 711.4 (check one):
 - Payment is submitted with this notice.
 - A copy of a receipt showing prior payment was submitted to CDFW.
- Responsible Agency statement: The Negative Declaration prepared by the lead agency for the Project is available to the general public at the office location listed above for the lead agency. CDFW's administrative record of proceedings related to the incidental take permit is available to the public for review at CDFW's regional office.
