State Clearinghouse Number: (if submitted to State Clearinghouse): 2019011042

Project Title: San Diego State University Mission Valley Campus Master Plan

Project Applicant: San Diego State University/California State University

Project Location (include county): The project is located on the bank of the San Diego River and an unnamed tributary thereto, at the current SDCCU Stadium, 9449 Friars Road, in the City of San Diego, County of San Diego.

Project Description: CDFW is intending to execute a Streambed Alteration Agreement pursuant to Section 1602 of the Fish and Game Code (#1600-2019-0225-R5) to the project applicant, San Diego State University/California State University. The overall project consists of the development of facilities to accommodate a new 35,000-capacity multipurpose stadium; 1.6 million square feet for office, research and development, and academic uses in approximately 16 buildings; up to 4,600 new residential homes in 15 buildings; approximately 400 hotel rooms; commercial and retail space; and parks and open space. Project components subject to this Agreement are limited to the following drainage improvements associated with Phase 1 construction: (1) the proposed installation of a sewer connection along the northern bank of the San Diego River and (2) the construction of an east-west trending drainage swale along the southern project boundary to direct site runoff to an unnamed tributary to the San Diego River.

This is to advise that the CDFW acting as a (Lead Agency / Responsible Agency) approved the above described project on March 27, 2020, and has made the following determinations regarding the above described project:

1. The project [will / will not] have a significant effect on the environment.
2. An Environmental Impact Report (EIR) was prepared for this project pursuant to CEQA.
3. Mitigation measures [were / were not] made a condition of CDFW's approval of the project.

- 4. A mitigation reporting or monitoring plan [was / was not] adopted by CDFW for this project.
- 5. A Statement of Overriding Considerations [was / was not] adopted by CDFW for this project.
- 6. Findings [were / were not] made by CDFW pursuant to the provisions of CEQA.
- 7. Compliance with the environmental filing fee requirement at Fish and Game Code § 711.4 (check one):
 - Payment is submitted with this notice.
 - A copy of a receipt showing prior payment is on file with the CDFW.

This is to certify that the final EIR with comments, responses, and record of project approval is available to the General Public at the office location listed above for the Lead Agency. CDFW's record of decision is available at the CDFW office above.
