Project Title: Yuba River Basin, California Project - Marysville Ring Levee Phases 2B and 3 Utility Relocation

Project Applicant: Central Valley Flood Protection Board

Project Location (include county): Along and adjacent to the levee protecting the City of Marysville, Yuba County

Project Description:

Levee improvements to the Marysville Ring Levee were originally covered in the 2010 EA/IS/MND which recommended construction in multiple phases. Phases 2B and 3 began construction in spring 2020. The Supplemental EA/IS/MND describes refinements for the utility relocation associated with Phases 2B and 3. The Proposed Project will relocate utilities located on the levee within Phases 2B and 3 of the MRL Project. The Proposed Project will include: the relocation of existing electric transmission and distribution lines, and gas transmission and distribution pipelines in Phase 2B and 3. The Proposed Project also includes the AT&T Inc. and Sprint Corporation installation of new utility structures on the landside and waterside of the levee in Phase 3.

This is to advise that the California Department of Water Resources has approved the above
 Lead Agency or Responsible Agency)

described project on March 1, 2021 and has made the following determinations regarding the above
 (date)
 described project.
