FROM: Central Valley Flood Protection Board
3310 El Camino Avenue, Suite 170
Sacramento, CA 95821

SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code § 21108.

State Clearinghouse Number (SCH No.): 2010024001

Project Title: Permit 19632: Yuba River Basin, California Project - Marysville Ring Levee Project
Phases 2B and 3 Utility Relocation: AT&T Utility Relocation

Project Applicant: AT&T

Lead Agency/Address: Central Valley Flood Protection Board (CVFPB), 3310 El Camino Ave, Ste 170, Sacramento, CA 95821

Lead Agency Contact Person: Kalia Schuster c/o Department of Water Resources 916-574-1429

Project Location/City/County: The project is located east of Ramirez Street near Blue Street along the right bank levee of the Yuba River and includes work on the embankments and floodway Section 24, T15N, R3E, MDB&M, in Yuba County.

Project Description: Approval of Permit No. 19632, under the California Code of Regulations, Title 23, Article 3, Section 6, for work within an adopted plan of flood control: AT&T will relocate existing aerial fiber cable by installing four joint poles, removing three poles, permitting two existing poles, and installing a four-inch underground conduit with appurtenant facilities near Station 304+00. Comcast will relocate existing overhead communication lines to be placed in a four-inch conduit within the trench constructed by AT&T. Sprint/T-Mobile will relocate existing overhead communication lines to be placed in two two-inch conduits within the trench constructed by AT&T and will construct two underground vaults with pull boxes and the endpoints of the trench.

This is to advise that the CVFPB, as the Lead Agency, approved the above described project on 7/18/2022 and made the following determinations regarding the above described project:

1. The project [will / will not] have a significant effect on the environment.
2. [An Environmental Impact Report / A Mitigated Negative Declaration] was prepared for the project.
3. Mitigation measures [were / were not] made a condition of approval of the project.
4. A Mitigation Monitoring and Reporting Plan [was / was not] adopted for this project
5. A Statement of Overriding Considerations [was / was not] adopted for this project.
6. Findings [were / were not] made pursuant to the provisions of CEQA.

Lead Agency Statement: The Supplemental EA/ISMND, with comments and responses, and record of approval is available to the general public at the CVFPB's office at the address listed above.
