 Coastal Zone Noise Solid Waste Land Use
 Drainage/Absorption Population/Housing Balance Toxic/Hazardous Cumulative Effects
 Economic/Jobs Public Services/Facilities Traffic/Circulation Other: _____

Present Land Use/Zoning/General Plan Designation:

Agricultural/ Rio Mesa Area Plan

Project Description: (please use a separate page if necessary)

The proposed project would construct a 2.3-mile segment of new road providing a connection between Avenue 12 in the south to a planned segment of Rio Mesa Boulevard within the Tesoro Viejo community to the north. The proposed roadway would include two northbound and two southbound asphalt concrete lanes with six-foot-wide asphalt concrete bike lanes, curbs and gutters, landscaping, and separated sidewalks. The project would also install storm drainage facilities, water and wastewater conveyance infrastructure, and conduit and pipeline for dry utilities (electric, telephone, cable, fiber, natural gas). Within areas that are known as California tiger salamander (CTS) migration corridors, the roadway design includes measures to keep CTS off the travel lanes and help them pass safely under the roadway.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
