**SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code § 21108.**

State Clearinghouse Number (SCH No.): 2015102060

Project Title: Permit No. 19316 – County of Butte, Department of Public Works – Bridge Replacement

Project Applicant: County of Butte, Department of Public Works

Project Location/City/County:

The project is located along Midway Road and spans the length of the Butte Creek Channel, approximately 3 miles south from the City of Durham, in Butte County.

## Project Description:

Approval of Permit No. 19316, under California Code of Regulations, Title 23, Section 6, for work within an adopted plan of flood control, within a Regulated Stream (Table 8.1; Title 23, Div. 1, Article 8): To remove the Butte Creek Bridge and Butte Creek Overflow Bridge on Midway Road and replace them with a single cast-in-place post-tensioned bridge (approximately 1400-foot long by 43-foot wide) supported on reinforced concrete abutments founded on driven piles and cast-in-drilled-hole intermediate piles in the same alignment as the existing bridges. The project also includes rock slope protection along the banks for the entire width and approximately 40 feet upstream and downstream of the bridge. Approximately 310 cubic yards of rock will be discharged below the Ordinary High Water Mark within Butte Creek. Additionally, the project includes a single box culvert (20-foot wide and 40-foot long) over Butte Creek Overflow area, located approximately 150 feet west of the main bridge which is intended to preserve access to agricultural fields.

This is to advise that CVFPB, as the Responsible Agency, approved the above described project on April 24, 2020 and made the following determinations regarding the above described project:

1. The project [ will /  will not] have a significant effect on the environment (This determination is limited to effects within CVFPB's permitting jurisdiction as a responsible agency).
2. [ An Environmental Impact Report /  A Mitigated Negative Declaration] was prepared by the lead agency for the original project.
3. Additional mitigation measures [ were /  were not] made a condition of CVFPB's approval of the project.
4. A Mitigation Monitoring and Reporting Plan [ was /  was not] adopted by CVFPB for this project.
5. A Statement of Overriding Considerations [ was /  was not] adopted by CVFPB for this project.
6. Findings [ were /  were not] made by CVFPB pursuant to the provisions of CEQA.

Responsible Agency Statement: This Mitigated Negative Declaration, prepared by the lead agency for the project, is available to the general public at the lead agency's office listed above. CVFPB's administrative record of proceedings related to the encroachment permit is available for public review at CVFPB's office.
