SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code § 21108

State Clearinghouse Number: 2009091125

Project Title: California High Speed Train Project: Merced to Fresno Major Amendment No. 20
 (California Endangered Species Act Incidental Take Permit No. 2081-2013-025-04 (ITP))

Project Location: The Project includes the California High Speed Train (HST) alignment beginning at the intersection of Avenue 19 and the Burlington Northern Santa Fe (BNSF) Railway, in the City of Madera, Madera County, California. From this intersection, the Merced to Fresno HST alignment continues south along the west side of the BNSF Railway until south of Avenue 15, where the alignment transitions westward toward the Union Pacific Railroad (UPRR). Near Avenue 9, the alignment follows along the east side of the UPRR, before crossing the San Joaquin River and entering the City of Fresno, Fresno County, California. The Project ends south of State Route (SR) 41, adjacent to Los Angeles Street in the City of Fresno.

Project Description: The Project includes construction and operation of the Merced to Fresno segment of the HST. The Project is expected to result in impacts to California tiger salamander (*Ambystoma californiense*, CTS), Swainson's hawk (*Buteo swainsoni*, SWHA), San Joaquin kit fox (*Vulpes macrotis mutica*, SJKF), and hairy Orcutt grass (*Orcuttia pilosa*, HaOrGr) (collectively, the Covered Species). CTS, SWHA, and SJKF are species designated as threatened and HaOrGr is designated as endangered under CESA. Major Amendment No. 20 makes three changes to the ITP, as previously amended; it adds Condition of Approval 8.13.4.1 to allow for an exception to burrow excavation along the guideway out to ten feet beyond the Access Restriction fencing for CTS between Avenue 11 and the San Joaquin River; adds Exhibit 12 mapping the Burrow Excavation Exception Area; and updates the Notices Section, specifically the Regional Manager and where Reports need to be submitted.

This is to advise that CDFW, acting as [the lead agency / a responsible agency] approved the above-described project on 10/25/2024 and made the following determinations regarding the above described project:

1. The project [will / will not] have a significant effect on the environment (This determination is limited to effects within CDFW's permitting jurisdiction as a responsible agency).
2. [An environmental impact report / A negative declaration] was prepared by the lead agency for the original project.
3. Additional mitigation measures [were / were not] made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan [was / was not] adopted by CDFW for this project.
5. A Statement of Overriding Considerations [was / was not] adopted by CDFW for this project.
6. Findings [were / were not] made by CDFW pursuant to Public Resources Code § 21081(a).
7. Compliance with the environmental filing fee requirement at Fish and Game Code § 711.4 (check one):

Notice of Determination

- Payment is submitted with this notice.
- A copy of a receipt showing prior payment was submitted to CDFW.
- Responsible Agency statement: The EIR/EIS and Addendum 2013-1 and 2013-2 prepared by the lead agency for the Project is available to the general public at the office location listed above for the lead agency. CDFW's administrative record of proceedings related to the incidental take permit is available to the public for review at CDFW's regional office.
