Project Title: Adoption of Cannon Pump Station Addendum to the 2019 Santa Ana Conservation and Conjunctive Use Program (SARCCUP) Joint Projects Final Environmental Impact Report

Project Applicant: Western Municipal Water District

Specific Project Location – Identify street address and cross street or attach a map showing project site (preferably a USGS 15’ or 7 ½’ topographical map identified by quadrangle name): 1356 Caulfield Ct, Riverside, CA 92506.

General Project Location (City and/or County): City of Riverside, County of Riverside

Project Description:

In February 2019, the Inland Empire Utilities Agency (IEUA), as CEQA lead agency, certified the Final Environmental Impact Report (EIR), adopted Findings of Fact and a Mitigation Monitoring and Reporting Program (MMRP), and approved the 2019 Santa Ana Conservation and Conjunctive Use Program (SARCCUP) (hereinafter referred to as “Project”). The Project analyzed five projects located within the Santa Ana River Watershed, including the Cannon Pump Station Project. The Western Municipal Water District (WMWD) also certified the Final EIR and made findings as a CEQA responsible agency approving the Project on March 20, 2019.

Subsequent to this certified EIR, WMWD has prepared an Addendum as CEQA lead agency with regard to minor revisions to the Cannon Pump Station Project. The Addendum evaluates updated locations of the water conveyance pipelines, associated vaults, and additional ancillary elements of the Cannon Pump Station Project. The Addendum determined that the minor modifications would not result in substantial changes to the previously certified EIR because it would not involve new significant impacts, nor would it substantially

increase the severity of an impact identified in the certified EIR. The Addendum further determined that no new mitigation is required beyond those measures in the previously adopted MMRP.

On June 15, 2022, at a regularly scheduled meeting, the WMWD Board of Directors adopted the Addendum and approved the minor changes to the Cannon Pump Station Project.

Identify the person or entity undertaking the project, including any private applicant, any other person undertaking an activity that receives financial assistance from the Public Agency as part of the project, and any person receiving a lease, permit, license, certificate, or other entitlement of use from the Public Agency as part of the project.

Western Municipal Water District

This is to advise that the (Lead Agency or Responsible Agency) has taken the above described actions with respect to the project on June 15, 2022 and has made the following determinations regarding the above described project:

1.	<input type="checkbox"/>	The project will have a significant effect on the environment.
	<input checked="" type="checkbox"/>	The proposed project modifications will NOT have a significant effect on the environment
2.	<input checked="" type="checkbox"/>	An Addendum to a previously certified Environmental Impact Report was prepared and adopted for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.
	<input type="checkbox"/>	A Negative Declaration was prepared for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.
	<input type="checkbox"/>	A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.
3.	<input checked="" type="checkbox"/>	Mitigation measures, identified in the previously certified EIR, were made a condition of the approval of the project.
	<input type="checkbox"/>	Mitigation measures were NOT made a condition of the approval of the project.
4.	<input checked="" type="checkbox"/>	A Mitigation Monitoring or Reporting Plan was adopted for the originally approved project.
	<input type="checkbox"/>	A Mitigation Monitoring or Reporting Plan was NOT adopted for this project.
5.	<input type="checkbox"/>	A Statement of Overriding Considerations was adopted for the originally approved project.
	<input checked="" type="checkbox"/>	A Statement of Overriding Considerations was NOT adopted for the originally approved project
6.	<input checked="" type="checkbox"/>	Findings pursuant to Public Resources Code section 21166 and State CEQA Guidelines section 15162 relating to subsequent environmental review were made pursuant to the provisions of CEQA.
	<input type="checkbox"/>	Findings were NOT made pursuant to the provisions of CEQA.
This is to certify that the Addendum, together with the previously certified Final EIR and record of project approval, are available to General Public at: 14205 Meridian Parkway, Riverside, CA 92518.
