Item: 23

Title: Miner Slough Bridge Project

Applicant: California Department of Transportation

Location: Sovereign land in Miner Slough, along State Route 84, near Ryer Island, Solano County

Description: The Miner Slough Bridge Replacement Project (Project) is located from post mile 12.1 to 12.2 on State Route 84. The 6.45-acre Project will construct a new bridge and road alignment to accommodate an increased turning radius. The existing non-standard timber bridge will be removed. The Project will temporarily impact 0.033 acre and 140 linear feet of waters of the United States. The State Lands Commission action is an approval of a Public Agency Permit and Right-of-Way Map, pursuant to Section 101.5 of the Streets and Highway Code and Section 6210.3 of the Public Resources Code.

This is to advise that the California State Lands Commission, as  Lead Agency  Responsible Agency, approved the above-described project on February 25, 2025, and made the following determinations regarding the project.

- 1) The project  will  will not have a significant effect on the environment.
- 2) A  Mitigated Negative Declaration (MND) was prepared for this project pursuant to the provisions of CEQA.
- 3) Mitigation measures  were  were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan  was or  was not adopted for this project.
- 5) A Statement of Overriding Considerations  was  was not adopted for the project.
- 6) Findings  were  were not made pursuant to the provisions of CEQA.

The lead agency for the project, California Department of Transportation (Caltrans), adopted the Mitigated Negative Declaration (MND) and adopted measures for the whole of the Project as incorporated in the Environmental Commitments Record (ECR), and approved the project on July 5, 2017. The California State Lands Commission has considered the MND as prepared for this project by Caltrans and adopted an independent Mitigation Monitoring Program incorporating Caltran's documents. The MND and the record of project approval may be examined at the above shown California State Lands Commission Sacramento office address.
