Lead Agency Contact

(925) 252-6987
Telephone No.

Project Applicant: Louis Parsons, Discovery Builders, Inc., 4061 Port Chicago Highway, Ste. H, Concord, CA 94520 lparsons@discoverybuilders.com 925-682-6419

Project Location: The 1.8-acre subject site is located at 360 Central Avenue in the RS-5 (Single-Family Residential) district. Assessor's Parcel No. 086-151-002.

Project Description: The Railroad Avenue Specific Plan (RASP), adopted by the Pittsburg City Council in 2009, is intended to guide all new development in key subareas located roughly within a ½-mile radius of the BART station at Railroad Avenue and State Route 4. The RASP established new land use classifications, development policies and guidelines, planned community resources, transportation and circulation improvements, implementation strategies, and phasing recommendations for properties located within the RASP area.

The Liberty Residential Subdivision Phase II Project consists of: 1) a General Plan Map Amendment to change the parcel's land use designation from Low Density Residential

to Medium Density Residential, 2) a Zoning Map Amendment to rezone the parcel from RS-5 (Residential Single Family 5,000 square-foot minimum lot size) to PD (Planned Development), 3) a Vesting Tentative Map for a 17-lot Major Subdivision; and 4) Design Review of landscape and architectural plans.

This is to advise that the City of Pittsburg as Lead Agency approved the above-described project on October 3, 2022, and made the following determinations regarding the project:

1. The Liberty Residential Subdivision Phase II Project will not have any project-specific significant effects on the environment beyond what was analyzed within the RASP EIR.
2. On July 6, 2009, the City Council adopted Resolution No. 09-11250, certifying the RASP Final Environmental Impact Report (EIR), and approving Mitigation Monitoring and Reporting Program (MMRP) for the project pursuant to the provisions of CEQA.
3. Mitigation measures were incorporated into the RASP as policies in accordance with CEQA Guidelines section 15126(a)(2).
4. The RASP EIR analyzed potentially significant impacts from RASP implementation. The EIR was a program EIR which studied a plan for the future development of the RASP area.
5. A Statement of Overriding Considerations was adopted for the RASP EIR.
6. CEQA Guidelines Section 15182, states that a public agency need not prepare an EIR or negative declaration for a residential project that conforms to a specific plan for which an environmental document has been prepared.
7. Pursuant to the provisions of the State CEQA Guidelines contained in section 15182, a memorandum detailing the project's consistency with the RASP and its adopted EIR, was prepared and it was determined that no further environmental analysis is required.
8. Findings were made pursuant to the provisions of CEQA.

A copy of the Draft and Final RASP EIRs, memorandum detailing the project's consistency with the RASP and its adopted EIR, and record of project approval is available to the general public at the City of Pittsburg Planning Division, location at 65 Civic Avenue, Pittsburg, CA.

John Funderburg III
