**Subject: Filing of Notice of Determination  
 in Compliance with Section 21108 or 21152 of the Public Resource Code.**

**State Clearinghouse Number:** 2018042015

**Project Title:** Kresge College Non-Academic Project

**Project Applicant:** University of California, Santa Cruz

**Parties Undertaking Project:** University of California, Santa Cruz, Main Campus

**Project Location:** University of California, Santa Cruz, Main Campus

**County:** Santa Cruz

**Project Description:** The action at issue is the amendment of approval the budget and external financing of Kresge College Non-Academic project. The Kresge Non-Academic project for the construction of new housing in residential halls and renovation and repurposed space for student and residential life was approved in March 2019.

In March 2019, the Regents of the University of California (Regents) approved the Kresge College Non-Academic project and certified the Environmental Impact Report (EIR) (SCH# 2018042015) that evaluated the environmental effects of the project. The EIR was not challenged during the applicable statute of limitations and is thus conclusively presumed to comply with CEQA pursuant to Public Resources Code Section 21167.2. There have been no changes to the project evaluated in the EIR or changes in circumstances that would require major revisions of the EIR, and no new information, which was not known and could not have been known at the time the EIR was considered, has become available. Therefore, pursuant to Public Resources Code Section 21166 and CEQA Guidelines Section 15162, no subsequent or supplemental review is required.

This Notice of Determination is to advise that the University of California  Lead Agency has approved the above-described action on *May 19, 2022* and has made the following determinations:

1. The project  will have a significant effect on the environment.
2.  An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures  were made a condition of the approval of the project.
4. A Mitigation Monitoring and Reporting Program  was adopted for this project.
5. A Statement of Overriding Considerations  was adopted for this project.
6. Findings  were made pursuant to the provisions of CEQA.

This is to certify the final Environmental Impact Report with comments and responses and record of project approval is available to the general public at: UC Santa Cruz Physical and Environmental Planning, Barn G, 1156 High St., Santa Cruz, CA and <https://lrdp.ucsc.edu/2021/eir.html>.
