**STATE CLEARINGHOUSE**

RE: DRAFT SUBSEQUENT ENVIRONMENTAL IMPACT REPORT HUGO NEU-PROLER LEASE RENEWAL ENVIRONMENTAL IMPACT REPORT FOR SA RECYCLING AMENDMENT TO PERMIT NO. 750 PROJECT DATED JANUARY 04, 2024 STATE CLEARINGHOUSE NUMBER [1993071074](#)

Dear Nicole Enciso:

The Department of Toxic Substances Control (DTSC) received a Draft Subsequent Environmental Impact Report to Hugo Neu-Proler Lease Renewal Environmental Impact Report for SA Recycling Amendment to Permit No. 750 Project. The Proposed Project seeks an amendment to Permit No. 750 to allow for an up to 10-year extension of existing operations, with up to 5 additional years for use of the site as a nonoperational restoration period for any necessary closure and remediation activities to restore the property.

DTSC acknowledges that SA Recycling has incorporated DTSC's [comment letter](#) dated April 28, 2023 into the Draft Subsequent Environmental Impact Report and DTSC appreciates ongoing compliance from SA Recycling. On December 12, 2023, DTSC and SA Recycling entered into a [Consent Order](#) with corrective action requirements to

resolve the violations and to satisfy the requirements of a Corrective Action Order issued by DTSC to SA Recycling in 2021. As stated in the Consent Order, SA Recycling shall comply with all compliance requirements.

DTSC appreciates the opportunity to comment on the Draft Subsequent Environmental Impact Report to Hugo Neu-Proler Lease Renewal EIR for SA Recycling Amendment to Permit No. 750 Project. Thank you for your assistance in protecting California's people and environment from the harmful effects of toxic substances. If you have any questions or would like any clarification on DTSC's comments, please respond to this letter or via [email](#) for additional guidance.

Sincerely,

A handwritten signature in cursive script that reads "Tamara Purvis".
