PROJECT DESCRIPTION: The California Department of Transportation (Caltrans) in cooperation with the Capital SouthEast Connector Joint Powers Authority (Connector JPA) proposes to reconstruct Grant Line Road to a 7.2 mile access-controlled four-lane expressway with a center earth median and an adjacent Class 1 bike/pedestrian trail on the west side of the alignment. The D2 Expressway Project would redirect existing access to nine existing or planned intersections and provide frontage roads where current access points conflict with these intersections. The Project site is located along Grant Line Road from north of the White Rock Road/Grant Line Road intersection moving south to the Grant Line Road/Jackson Highway intersection, located in the City of Rancho Cordova's southeastern boundary with Sacramento County.

This is to advise you that a finding of No Significant Impact (FONSI) has been made for this project by the California Department of Transportation as assigned by the Federal Highway Administration pursuant to 23 U.S.C. 327. A copy of the FONSI and the attached Environmental Assessment can be obtained from the California Department of Transportation office located at the above address.
