Project Title: French Meadows Campground Rehabilitation Project (Streambed Alteration Agreement EPIMS Notification No. PLA-50714-R2)

Project Location: The project is located at multiple unnamed tributaries to French Meadows Reservoir within the French Meadows Campground, in the County of Placer, State of California; Latitude 39.114520, Longitude -120.422465 (WGS 84 datum, decimal degrees).

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification Number PLA-50714-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Placer County Water Agency.

The project is limited to seven (7) culvert replacements within the French Meadows Campground in association with the Permittee's broader rehabilitation of the campground facilities. The 7 culverts are located within two (2) intermittent streams and one (1) ephemeral stream. The project will result in 0.013-acre of temporary impacts and 0.021-acre of permanent impacts within the unnamed intermittent streams and ephemeral tributary. No woody riparian vegetation will be impacted by project activities.

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the Final Environmental Impact Statement prepared by the FERC and associated Final CEQA Supplement prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the project.

Notice of Determination

4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The Final Environmental Impact Statement and associated Final CEQA Supplement prepared for the project are available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
