RESOLUTION NO. 20-065

OF THE BOARD OF DIRECTORS OF THE ALAMEDA COUNTY WATER DISTRICT (1) AUTHORIZING AMENDMENTS TO THE DISTRICT'S LONG TERM WATER SUPPLY CONTRACT WITH THE DEPARTMENT OF WATER RESOURCES TO SUPPLEMENT AND CLARIFY WATER MANAGEMENT TOOLS REGARDING TRANSFERS AND EXCHANGES OF SWP WATER; AND (2) MAKING RESPONSIBLE AGENCY FINDINGS PURSUANT TO CEQA FOR THE FINAL ENVIRONMENTAL IMPACT REPORT FOR THE STATE WATER PROJECT SUPPLY CONTRACT AMENDMENTS FOR WATER MANAGEMENT, AND ADOPTING CEQA FINDINGS AND STATEMENT OF OVERRIDING CONSIDERATIONS

WHEREAS, the District has a long term water supply contract (SWP Contract) with the State of California Department of Water Resources (DWR) for the delivery of State Water Project (SWP) water; and

WHEREAS, under the existing SWP Contract, water transfers are permitted in a limited and very specific manner, resulting in their infrequent use, and the parameters for exchanges of water, while allowed, lack specificity and clear guidance, which impede planning; and

WHEREAS, the District, along with other public water agencies with SWP Contracts (PWAs) conducted a series of public negotiations with DWR with the goal of agreeing on concepts to supplement and clarify the existing water transfer and exchange provisions of the SWP Contracts to provide improved water management; and

WHEREAS, in June 2018, PWAs and DWR agreed upon an Agreement in Principle (AIP), which included specific principles to clarify and enhance the terms of the SWP water supply contract related to water transfers and exchanges to improve water management capabilities and PWA options; and

WHEREAS, in October 2018, DWR circulated a Draft Environmental Impact Report (2018 DEIR) that considered impacts related to the AIP, which at that time also included certain cost allocation sections for the California WaterFix project (WaterFix); and

WHEREAS, in early 2019, Governor Newsom decided not to move forward with California WaterFix and DWR rescinded its approvals of the AIP project. The PWAs and DWR subsequently held a public negotiation and agreed to remove the WaterFix cost allocation sections from AIP, but to retain the water management provisions, and the AIP was finalized on May 20, 2019; and

WHEREAS, the proposed amendment to the District's SWP Contract for consideration by the Board articulates in contract language the principles of the final AIP; and

WHEREAS, DWR is the lead agency for the water management amendments, called the State Water Project Supply Contract Amendments for Water Management (Project), pursuant to CEQA (Pub. Res. Code §§ 21000, et seq.) and the State CEQA Guidelines (14 CCR §§ 15000, et seq.). As the lead agency, DWR is responsible for assuring that an adequate analysis of the Project's environmental impacts is conducted; and

WHEREAS, on February 28, 2020, DWR issued a Partially Recirculated Draft Environmental Impact Report (DEIR) for the Project, which was circulated for public review for 94 days through June 1, 2020; and

WHEREAS, DWR prepared a Final Environmental Impact Report for the Project, which included the DEIR, appendices, comments on the DEIR, responses to comments on the DEIR, and revisions to the DEIR (collectively, FEIR); and

WHEREAS, on August 25, 2020, DWR certified the FEIR, adopted CEQA Findings of Fact and Statement of Overriding Considerations and approved the Project; and

WHEREAS, the FEIR concluded that the Project would have significant and unavoidable impacts to groundwater hydrology and water quality, and cumulatively considerable and unavoidable impacts to groundwater supplies and subsidence. As such, DWR adopted CEQA Findings of Fact and Statement of Overriding Considerations for the Project (attached as Exhibit "A"); and

WHEREAS, the District and DWR propose to amend the District's SWP Contract by approving the amendment attached as Exhibit "B" to this Resolution (Amendment), the environmental effects of which were studied in the FEIR; and

WHEREAS, the District is a responsible agency and has more limited approval and implementing authority over the Amendment than does the DWR; and

WHEREAS, the Board of Directors of the District, at its scheduled public meeting on November 12, 2020, independently reviewed and considered the FEIR, CEQA Findings of Fact and Statement of Overriding Considerations, and other related documents and evidence in the record before it; and

WHEREAS, all the procedures of CEQA and the State CEQA Guidelines have been met, and the FEIR prepared in connection with the Project is sufficiently detailed so that all the potentially significant effects of the Project and the Amendment on the environment and measures feasible to avoid or substantially lessen such effects have been evaluated in accordance with CEQA; and

WHEREAS, as contained herein, the District has endeavored in good faith to set forth the basis for its decision on the Amendment;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE DISTRICT AS FOLLOWS:

1. The above recitals are true and correct and are incorporated herein by reference as an operative portion of this Resolution.
2. Based on the above findings, the Board hereby approves the Amendment and authorizes the General Manager to execute it on behalf of the District, which is incorporated herein and attached hereto as Exhibit "B".
3. The FEIR prepared for the Project, which can be found at <https://water.ca.gov/News/Public-Notices/2020/August/SWP-Water-Supply-Contract-EIR>, is hereby received by the Board and incorporated herein by this reference
4. Pursuant to State CEQA Guidelines section 15096 and in its limited role as a responsible agency under CEQA, the Board has reviewed and considered the FEIR, as well as DWR's certification of the FEIR and approval of the Project, and DWR's CEQA Findings of Fact and Statement of Overriding Considerations, and the Board incorporates those items herein by reference. As to those resources within the District's power and authority as a responsible agency under CEQA, the Board exercises its independent judgment and finds that the FEIR contains a complete, objective and accurate reporting of the Amendment's impacts.
5. Exercising its independent judgment, the Board concurs with the CEQA Findings of Fact and Statement of Overriding Considerations approved by DWR and hereby adopts those CEQA Findings of Fact and Statement of Overriding Considerations, attached hereto as Exhibit "A" and incorporated herein by this reference. The Board further finds that there are no feasible mitigation measures or alternatives within its authority that would substantially lessen or avoid any significant effects that the Project would have on the environment, for the reasons explained in the FEIR.
6. The Board concurs with the Statement of Overriding Considerations adopted by DWR and finds that the benefits of the Amendment outweigh the adverse environmental impacts not reduced to below a level of significance.
7. The Board hereby authorizes and directs staff to file and have posted a Notice of Determination with the County Clerk and with the State Clearinghouse within 5 working days of the adoption of this Resolution.
8. The documents and materials that constitute the record of proceedings for this Resolution are located on the District's website at <https://www.acwd.org/729/California-Environmental-Quality-Act-CEQ>, or at 43885 South Grimmer Blvd., Fremont, California, 94358 and available for review by appointment by contacting the Manager of Water Resources.

NOTICE

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

COUNTY DOCUMENTARY HANDLING FEE

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

Filing Notice of Determination (NOD):

- Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- Issue cash receipt to project applicant.
- Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.
- Mail filing fees for **CRP** document to CDFW prior to filing the NOD or equivalent final approval (Cal. Code Regs. Tit. 14, § 753.5 (b)(5)). The CRP should request receipt from CDFW to show proof of payment for filing the NOD or equivalent approval. Please mail payment to address below made attention to the Cash Receipts Unit of the Accounting Services Branch.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

Filing Notice of Exemption (NOE) *(Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))*

- Issue cash receipt to project applicant.
- Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

Within 30 days after the end of each month in which the environmental filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

The county clerk shall mail the following documents to CDFW on a monthly basis:

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

DOCUMENT RETENTION

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

RECEIPT NUMBER

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.
