Project Title: Permit No. 19466: Utility Relocation as Part of the Crows Landing Road Bridge Replacement Project

Project Applicant: AT&T California

Lead Agency/Address: Stanislaus County Public Works Department, 1716 Morgan Road, Modesto, CA 95358

Lead Agency Contact Person: David Leamon, (209) 525-4130

Project Location/City/County: The project is located where Crows Landing Road crosses the San Joaquin River, approximately 4.1 miles northeast of the town of Crows Landing, in Stanislaus County, California.

Project Description: Approval of Permit No. 19466, under California Code of Regulations, Title 23, Article 3, Section 6, for work within an adopted plan of flood control: To relocate existing AT&T overhead lines to the newly constructed Crows Landing Road Bridge, before the lines go into underground conduits. The proposed work involves excavating and placing two concrete sub-surface enclosures with hinged covers; and trenching and installing 4-inch diameter underground conduits on both the right (east) and left (west) banks of the San Joaquin River. Additionally, five (5) existing utility poles will be removed. This relocation is part of the Crows Landing Road Bridge replacement project, CVFPB Permit No. 19362.

This is to advise that the CVFPB, as the **Responsible Agency**, approved the above described project on October 22, 2021 and made the following determinations regarding the above described project:

1. The project [will / will not] have a significant effect on the environment (This determination is limited to effects within CVFPB’s permitting jurisdiction as a responsible agency).
2. [An Environmental Impact Report / A Mitigated Negative Declaration] was prepared by the lead agency for the original project.
3. Mitigation measures [were / were not] made a condition of CVFPB’s approval of the project.
4. A Mitigation Monitoring and Reporting Plan [was / was not] adopted by CVFPB for this project
5. A Statement of Overriding Considerations [was / was not] adopted by CVFPB for this project.
6. Findings [were / were not] made by CVFPB pursuant to the provisions of CEQA.

Responsible Agency Statement: This IS/MND, prepared by the lead agency for the project, is available to the general public at the lead agency’s office listed above. CVFPB’s administrative record of proceedings related to the encroachment permit is available for public review at CVFPB’s office.
