**SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108**

**State Clearinghouse Number:** 2017012061

**Project Title:** Hart Ranch Flow Enhancement, Streambed Alteration Agreement No. 1600-2019-0512-R1

**Project Location (include county):** Intersection of Harry Cash Road and Little Shasta River in Siskiyou County (41°43'22.48"N latitude, 122°22'08.68"W longitude).

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2019-0512-R1, pursuant to section 1602 of the Fish and Game Code to the project Applicant, California Trout, Inc.

The project is limited to fish passage and protection work on the Hart-Haight Diversion located on the Little Shasta River. This work includes: 1) replacing the existing diversion infrastructure with a CDFW and National Marine Fisheries Service (NMFS) compliant in-canal fish screen, 2) realigning approximately 180 feet of stream channel to accommodate the new intake structure and fish screen, 3) creating an engineered roughened channel to provide fish passage for all life stages of fish, 4) removing the existing concrete and flashboard diversion structure and fish screen, and 5) long-term maintenance of the roughened channel.

This is to advise that CDFW, acting as the Lead Agency, approved the above described project on July 9, 2019 and has made the following determinations regarding the project:

1. The project will not have a significant effect on the environment.
2. A mitigated negative declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration prepared for the project and the record related to project approval is available to the general public for review at CDFW's regional office listed above.
