Project Location (include county): The project area is the City of Sacramento and adjacent areas collectively defined as the General Plan Planning Area, located in Sacramento County. Regionally, Sacramento is in the center of California’s Central Valley, roughly halfway between San Francisco to the west and Lake Tahoe to the east. The General Plan planning area covers a total area of approximately 197 square miles of incorporated and unincorporated land, encompassing land within the City limits, the Sphere of Influence, and five special study areas.

Project Description: The project includes City of Sacramento 2040 General Plan, including goals and policies to direct the physical development of the City through 2040, and the Climate Action & Adaptation Plan (CAAP). The 2040 General Plan addresses the eight state-mandated topics as well as several additional topics of local importance. The 2021-2029 Housing Element, which fulfills the state requirement for a certified housing element, was adopted in 2021 and published separately.

The CAAP includes policy and implementation measures re: greenhouse gas emission reduction and adaptation to climate change.

This is to advise that the City of Sacramento, City Council has approved the above-described project on February 27, 2024 and has made the following determination regarding the project:

1. The project will will not) have a significant effect on the environment.
2. A Master Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation Measures were /were not) made a condition of the approval of the project.
4. A statement of Overriding Considerations was adopted for this project.

CK # 757425

5. Findings were made pursuant to the provisions of CEQA

This is to certify that the final Master EIR with comments and responses and the record of project approval is available to the General Public at:
