**Project Title:** Routine Maintenance of 9 Debris Basins of the Plum Canyon Development Project (Lake or Streambed Alteration Agreement No. 1600-2019-0151-R5), Amendment 1

**Project Location (include county):** The Project is north of Soledad Canyon Rd., south and east of Bouquet Canyon Rd, and west of Sierra Hwy, within 9 debris basins within the Plum Canyon Development, Los Angeles County, California.

**Project Description:** The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement Amendment number 1600-2019-0151-R5, pursuant to Section 1602 of the Fish and Game Code to Matt Seidel.

The purpose of the project is to conduct routine maintenance of the 9 debris basins within the Plum Canyon development area. The project routine maintenance includes periodic sediment, debris, and vegetation removal, repair and maintenance of existing debris basin facility structures, fuel modification, annual mowing, and restoration of basins to original flood design function and capacity. Amendment 1 includes additional maintenance language and clarifies codes to be consistent with the Los Angeles County Flood Control District's master agreement with CDFW.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on 7/1/2021 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project  will /  will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures  were /  were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan  was /  was not adopted by CDFW for this project.
5. A statement of overriding considerations  was /  was not adopted by CDFW for this project.
6. Findings  were /  were not made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
