Project Title: Addendum to MND (SCH #2017081049) Infrastructure Master Plan Update

Project Applicant: South Coast Water District

Project Location (include county): Orange

Project Description:

An Addendum to the IS/MND for the District's Infrastructure Master Plan Update for Capital Improvement Program (IMP/CIP) was prepared to analyze the potential impacts to modified CIP project RW-101. The Addendum determined there are no new significant impacts, nor any substantial increases in the severity of previously identified impacts. No changes or additions are needed to the previously adopted MND or Mitigation Monitoring and Reporting Program.

This is to advise that the South Coast Water District has approved the above (Lead Agency or Responsible Agency)

described project on 11/18/2021 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
