Project Title: Petition for Change for Water Right Permit 21377 (A032263B) for MCWRA

Project Applicant: Monterey County Water Resources Agency

Project Location (include county): West of the City of Salinas, Monterey County

**Project Description:**

The Monterey County Water Resources Agency (MCWRA) has petitioned the State Water Resources Control Board, Division of Water Rights to change the point of diversion for diversion from Reclamation Ditch, tributary to Tembladero Slough thence Old Salinas River. The petition involves moving the point of diversion approximately 250 feet downstream along the same source on the same property. The need for a change in POD was apparent prior to construction due to land easement issues. All other items related to the water right permit remain unchanged.
