To Whom it May Concern:

This letter addresses revisions of 611697\_Group\_CRPC\_PA posted on February 6, 2025, for Upper Main Zone Cooperative Waterflood Project SCH#1993021004.

The revision for 611697\_Group\_CRPC\_PA is to amend the project location from the initial post on February 6, 2025. CalGEM wishes to update the county from San Joaquin to Orange County and the region from Northern California to Southern California. CalGEM also wishes to correct well names and API#'s that include a punctuation error. In the posted NOD, some of the well names and API#'s listed in the table below include a question mark. Please remove the question marks. All other aspects of the project posted to the State Clearing House will remain the same.

API #	Well Name
0405920650	State Prc 392 T-12
0405902981	State Prc 392 S-68
0405920740	State Prc 425 UJ-257
0405920969	State Prc 392 UJ-279

Please let us know if you have any questions.
