Subject: Supplemental Initial Study & Mitigated Negative Declaration for The Mt. Tamalpais  
Watershed Road and Trail Management Plant (SCH# 2004082018)

To Whom it may Concern,

The Marin Municipal Water District (district) certified the Mt. Tamalpais Watershed Road and Trail Management Plan Environmental Impact Report (SCH# 2004082018) on May 18<sup>th</sup>, 2005 and the State Clearinghouse received a Notice of Determination for the Project on May 24, 2005. The district proposes amending the Mt. Tamalpais Watershed Road and Trail Management Plan for the Restoration of Azalea Hill. In accordance with CEQA Guidelines Section 15168 [c] the district has completed a subsequent Initial Study and prepared a Mitigated Negative Declaration (IS/MND) for the proposed changes to the Project in the Azalea Hill focus area. The IS/MND was adopted by the district on May 14, 2019 and a Notice of Determination was filed with the Marin County Clerk on May 15, 2019.

We are providing the following documents in electronic format to the State Clearinghouse to update the Project file for SCH# 2004082018.

- Azalea Hill Initial Study & Mitigated Negative Declaration
- Notice of Determination for Azalea Hill Initial Study & Mitigated Negative Declaration

Sincerely,

Crystal Yezman  
Division Manager – Facilities and Watershed
