**SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code § 21108**

State Clearinghouse Number: 2009091126

**Project Title:** California High-Speed Train Project: Fresno to Bakersfield Major Amendment No. 20 (California Endangered Species Act Incidental Take Permit No. 2081-2015-024-04 (ITP))

**Project Location:** The Project includes the California High Speed Train (HST) alignment beginning on the south side of the G Street and San Benito Street intersection, north of Highway 41, in the City of Fresno, Fresno County, California. From this intersection, the Fresno to Bakersfield HST alignment extends south either along or adjacent to the Burlington Northern Santa Fe Railway (BNSF) for approximately 99 miles before reaching the section endpoint, at the intersection of 7<sup>th</sup> Standard Road, and Santa Fe Way, within the city limits of Shafter, in Kern County, California.

**Project Description:** The Project approved by CDFW consists of the ITP, Major Amendment No. 1, Major Amendment No. 2, Major Amendment No. 3, Minor Amendment No. 4, Major Amendment No. 5, Major Amendment No. 6, Major Amendment No. 7, Major Amendment No. 8, Major Amendment No. 9, Major Amendment No. 10, Major Amendment No. 11, Major Amendment No. 12, Major Amendment No. 13, Major Amendment No. 14, Major Amendment No. 15, Major Amendment No. 16, Major Amendment No. 17, Major Amendment No. 18, Major Amendment No. 19, and this Major Amendment No. 20, as referenced above and as reissued by CDFW, which addresses construction and operation of the Fresno to Bakersfield segment of the HST, as approved by the lead agency, affecting or generally related to fish and wildlife resources subject to the regulatory authority of CDFW, including natural resources subject to the California Endangered Species Act (CESA). The ITP authorizes incidental take of the threatened California tiger salamander (*Ambystoma californiense*), San Joaquin antelope squirrel (*Ammospermophilus nelsoni*), Swainson's hawk (*Buteo swainsoni*), and San Joaquin kit fox (*Vulpes macrotis mutica*) and the endangered Tipton kangaroo rat (*Dipodomys nitratooides nitratooides*), (collectively, the Covered Species), species designated as threatened and endangered under CESA.

Major Amendment No. 20 makes six changes to the ITP, as previously amended. This Amendment 1) updates Condition of Approval 7.1 to include Work Area burrow mapping as part of the Notification and adds new review timelines; 2) makes a correction to the numbering due to two measures added by Amendment No. 1 and Amendment No. 6 which were both given Condition of Approval number 7.12; 3) updates multiple Conditions of Approval relating to trapping and burrow excavation for Tipton kangaroo rat (*Dipodomys nitratooides nitratooides*, TKR) and San Joaquin antelope squirrel (*Ammospermophilus nelsoni*, SJAS) to provide alternatives for minimization of take depending on the Work Area location and whether or not it is inside or outside Mapping Areas 1, 2, and 3 (Figures 1-3) identified in the new Exhibit 7; 4) changes the numbering of Condition of Approval 8.17.4 for Record of Covered Species Handled to accommodate the additional trapping measure; 5) makes a correction to the numbering of the two Conditions of Approval under "Take Minimization Measures" subsection titled "Specific Measures for SJKF," due to the previous utilization of the number 8.15.6 in Amendment 2; and 6) incorporates Exhibit 7, TKR/SJAS Mapping Areas 1, 2, and 3 (Figures 1-3) into the ITP, as amended.

This is to advise that CDFW, acting as [ the lead agency /  a responsible agency] approved the above-described project on 4/23/2020 and made the following determinations regarding the above-described project:

**Notice of Determination**

1. The project [ will /  will not] have a significant effect on the environment (This determination is limited to effects within CDFW's permitting jurisdiction as a responsible agency).
2. [ An environmental impact report /  A negative declaration] was prepared by the lead agency for the original project.
3. Additional mitigation measures [ were /  were not] made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan [ was /  was not] adopted by CDFW for this project.
5. A Statement of Overriding Considerations [ was /  was not] adopted by CDFW for this project.
6. Findings [ were /  were not] made by CDFW pursuant to Public Resources Code § 21081(a).
7. Compliance with the environmental filing fee requirement at Fish and Game Code § 711.4 (check one):
  - Payment is submitted with this notice.
  - A copy of a receipt showing prior payment was submitted to CDFW.
- Responsible Agency statement: The EIR prepared by the lead agency for the Project is available to the general public at the office location listed above for the lead agency. CDFW's administrative record of proceedings related to the incidental take permit is available to the public for review at CDFW's regional office.
