SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code § 21108.

State Clearinghouse Number (SCH No.): 2009112025

Project Title: Permit No.19683--American River Watershed Common Features Project /Natomas Post-Authorization Change Report /Natomas Levee Improvement Program, Phase 4b Landside Improvements Project/Natomas Basin Civil Works Project, SMUD Utility Relocation

Project Applicant: Sacramento Municipal Utility District

Lead Agency/Address: Sacramento Area Flood Control Agency, 1007 7th Street, 7th Floor Sacramento, CA 95814

Lead Agency Contact Person: John Bassett, (916) 874-7606

Project Location/City/County: 5871 Garden Highway, Sacramento, CA, Sacramento County.

Project Description: Approval of Permit No.19683, under California Code of Regulations, Title 23, Article 3, Section 6, for work within an adopted plan of flood control: To authorize installation of a 4-inch conduit parallel to Garden highway landside levee slope, through the Garden highway levee crown and beyond the waterside toe with work that consist of a backhoe trench (30"x30"), totaling 360 feet in length; remove one (1) existing 3-inch conduit going through the levee; install one (1) new wood utility pole, one (1) new pull box, and guy wire located 12-feet from the edge of pavement on the landside of the levee; replace in place one (1) existing utility pole beyond the waterside toe of the levee; remove one (1) utility pole beyond the waterside toe of the levee; install one (1) new pull box on the driveway; install three (3) new traffic pull boxes beyond the waterside toe of the levee; replace in place one (1) traffic pull box beyond the waterside toe of the levee; and remove one (1) existing secondary box beyond the waterside toe of the levee. This utility relocation project is required for the Natomas Basin Civil Works Project.

This is to advise that the Central Valley Flood Protection Board, as the **Responsible Agency**, approved the above described project on October 20, 2022 and made the following determinations regarding the above described project:

1. The project [will / will not] have a significant effect on the environment (This determination is limited to effects within CVFPB's permitting jurisdiction as a responsible agency).
2. [An Environmental Impact Report was prepared by the lead agency for the original project.
3. Additional mitigation measures [were / were not] made a condition of CVFPB's approval of the project.
4. A Mitigation Monitoring and Reporting Plan [was / was not] adopted by CVFPB for this project
5. A Statement of Overriding Considerations [was / was not] adopted by CVFPB for this project.
6. Findings [were / were not] made by CVFPB pursuant to the provisions of CEQA.

Responsible Agency Statement: This EIR, prepared by the lead agency for the project, is available to the general public at the lead agency's office listed above. CVFPB's administrative record related to the encroachment permit is available for public review at CVFPB's office.
