File Ref: L9357; A4491

SCH#:2010084002

Item: 34

Title: City of San Clemente Coastal Storm Damage Reduction Project/San Clemente Shoreline Protection Project

Applicant: City of San Clemente

Location: Sovereign land in the Pacific Ocean, near San Clemente and Oceanside, Orange and San Diego Counties

Description: The project consists of dredging from borrow site designated SO-9 near Oceanside; placement of a 50-foot-wide beach fill along an approximately 3,400-foot-long stretch of shoreline in the City of San Clemente with 251,000 cubic yards (cy) of compatible sediment with renourishment of 251,000 cy every 6 years on average. The State Lands Commission action is a lease amendment to allow dredging of an additional offshore borrow site near Surfside – Sunset Beach for the City of San Clemente Coastal Storm Damage Reduction Project/San Clemente Shoreline Protection Project.

This is to advise that the California State Lands Commission, as  Lead Agency  Responsible Agency, approved the above-described project on April 4, 2024, and made the following determinations regarding the project.

- 1) The project  will  will not have a significant effect on the environment.
- 2) An  Environmental Impact Report (EIR) was prepared pursuant to the provisions of CEQA.
- 3) Mitigation measures  were  were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan  was or  was not adopted for this project.
- 5) A Statement of Overriding Considerations  was  was not adopted for the project.
- 6) Findings  were  were not made pursuant to the provisions of CEQA.

The lead agency for the project, the City of San Clemente, certified the EIR/EIS and Mitigation Monitoring and Reporting Program and approved the project on July 18, 2023. On March 19, 2024, the City of San Clemente adopted an Addendum to the EIR to address any changes to the proposed Project. The Commission has considered the EIR/EIS and Addendum, as certified and adopted, respectively, for this project and previously adopted an independent Mitigation Monitoring Program incorporating the previous documents, which remains in full force. The EIR/EIS, Addendum, and the record of project approval may be examined at the above shown California State Lands Commission Sacramento office address.
