Notice of Availability of a Draft Environmental Impact Statement and Draft Conformity Determination for the Tejon Indian Tribe's Proposed Fee-to-Trust Acquisition and Casino Resort Project, Kern County, California

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of availability.

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA), as lead agency, with the Tejon Indian Tribe (Tribe), Kern County (County), National Indian Gaming Commission (NIGC), and the United States Environmental Protection Agency (EPA) serving as cooperating agencies, has filed a Draft Environmental Impact Statement (DEIS) with the EPA in connection with the Tribe's application for acquisition in trust by the United States of approximately 306 acres for gaming and other purposes to be located west of the Town of Mettler, Kern County, California. At the request of the Tribe, this EIS has been prepared to comply with the expected requirements of a tribal environmental ordinance, which may require a Tribal Environmental Impact Report (TEIR). To reduce paperwork and eliminate redundancy, the EIS and the TEIR have been prepared in coordination, resulting in a joint EIS/TEIR, hereinafter referred to as an EIS. This notice also announces that the DEIS is now available for public review and that a public hearing will be held to receive comments on the DEIS. In accordance with Section 176 of the Clean Air Act 42 U.S.C. 7506, and the U.S. EPA's general conformity regulations 40 C.F.R. Part 93, Subpart B, a Draft Conformity Determination (DCD) has been prepared for the proposed project. The DCD is contained within Appendix N of the DEIS.

DATES: Comments on the DEIS or DCD must arrive no later than July 27, 2020, which is 45 days after publication of Notice of Availability by the USEPA in the *Federal Register* on June 12, 2020. A virtual public hearing will be held on July 8, 2020, starting at 6:00 p.m, and will run until the last public comment is received. Please go to <https://www.tejoneis.com/> for information on how to attend the virtual public hearing.

SUPPLEMENTARY INFORMATION: Public review of the DEIS is part of the administrative process for the evaluation of the Tribe's application to the BIA for the placement of approximately 306 acres of fee land in trust in Kern County, California. The Tribe proposes to construct a casino resort on the trust property.

Background: The Tribe's proposed project consists of the following components: 1) the Department's transfer of the approximately 306-acre fee property into trust status; 2) issuance of a determination by the Secretary of the Interior pursuant to the Indian Gaming Regulatory Act 25 USC 2701 et seq.; 3) the

approval of a management contract by the Chairman of the National Indian Gaming Commission under 25 USC § 2711; and 4) the Tribe's proposed development of the trust parcel and the off-site improvement areas. The proposed casino-resort would include a hotel, convention center, multipurpose event space, several restaurant facilities, parking facilities, a recreational vehicle (RV) park, fire, and sheriff stations and associated facilities.

The following alternatives are considered in the DEIS: (1) Proposed Project; (2) Reduced Casino Resort; (3) Organic Farm; (4) Alternate Site for the Proposed Project; and (5) No Action Alternative.

Environmental issues addressed in the DEIS include geology and soils, water resources, air quality, biological resources, cultural and paleontological resources, socioeconomic conditions (including environmental justice), transportation and circulation, land use, public services, noise, hazardous materials, aesthetics, cumulative effects, and indirect and growth inducing effects. The Clean Air Act requires federal agencies to ensure that their actions conform to applicable implementation plans for achieving and maintaining the National Ambient Air Quality Standards for criteria air pollutants. The BIA has prepared a DCD for the proposed action/project described above. The DCD is included in Appendix N of the DEIS.
