Subject: Valley Link Project, SCH # 2018092027
Date: Monday, May 27, 2024 9:53:27 AM
Attachments: [image001.png](#)

Good Morning,

The Valley Link Project, SCH # 2018092027, will have direct impact for traffic control and traffic congestion for western San Joaquin County and the surrounding Highways of I-580, I-205 and SR-4. In addition, there will be an increase in traffic congestion for the surrounding county roads for potential detour routes. This corridor has several growing housing developments both in the Mountain House and the Tracy Hills communities. This project will lead to an increase in enforcement demands and highway construction/improvement projects.

If you have any further questions, please let me know.
