Re: City of Huron Water Treatment Plant Improvements Project MND SCH No. 2013111048

We are writing this letter in response to your request about the Mitigated Negative Declaration (MND) for the City of Huron's Water Treatment Plant Improvements Project. The MND was first received by the State Clearing House on November 15, 2013 (SCH No. 2013111048). The MND appears to be more than five (5) years old. I have confirmed with the engineering team that there have been no changes to the Project as it is described in the environmental document. By submitting this letter, I am re-affirming that the Project has not changed and the previously approved and submitted environmental document is still appropriate. Please do not hesitate to contact us if you need anything else.

Jack Castro  
City Manager, City of Huron

Governor's Office of Planning & Research
