**SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108**

**State Clearinghouse Number:** 2013112042

**Project Title:** Dry Creek Greenway East (Multi-Use) Trail Phase 1 (Streambed Alteration Agreement EPIMS Notification No. PLA-31843-R2)

**Project Location (include county):** The project is located at Dry Creek, Cirby Creek, Linda Creek, and unnamed tributaries, in the County of Placer, State of California. The 2.3-mile multi-use trail extends from the existing Saugstad/Royer Park trail near the intersection of Riverside Avenue and Darling Way eastward to Rocky Ridge Road near the intersection with Cirby Way.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification No. PLA-31843-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, City of Roseville.

The project is limited to twelve (12) separate project activities associated with the construction of a new 2.3-mile-long paved multi-use trail in the City of Roseville that includes three (3) new bridges and the modification of two (2) existing bridges within the trail alignment. The trail will follow corridors along portions of Dry, Cirby, and Linda Creeks. These corridors currently contain segments of existing unimproved natural surface paths and paved multi-use paths. Project activities include the placement of new bridge abutments or pilling, rock walls, gabion walls, a soldier pile wall, longitudinal peak stone toe protection features, rock slope protection (RSP), culverts, and construction of sections of the paved trail affecting the stream bank and/or associated riparian vegetation. The project includes temporary activities such as installation of temporary low-water crossings and water diversions, as well as cut and fill activities occurring outside the trail footprint that will be revegetated following construction.

This is to advise that CDFW, acting as a Responsible Agency, executed the above Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project  will /  will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures  were /  were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan  was /  was not adopted by CDFW for this project.
5. A statement of overriding considerations  was /  was not adopted by CDFW for this project.
6. Findings  were /  were not made by CDFW pursuant to California Code of Regulations section 15091.

**Notice of Determination**

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
