This is to advise that the Local Agency Formation Commission for San Bernardino County, as lead agency, has approved the above-described project and has made the following determinations regarding the project:

1. The project will have a significant adverse impact on the environment.
2. A Complete Final Environmental Impact Report (EIR) was prepared by the City of Fontana as a function of its review of the I-15 Logistics Project (SCH No. 2018011008), and an Addendum, Addendum #1, was prepared for the Commission’s use in considering LAFCO 3261 pursuant to the provisions of CEQA.
