**SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108**

**State Clearinghouse Number:** 2018052047

**Project Title:** Cassel-Fall River Road Bridge Replacement Project (Lake or Streambed Alteration Agreement No. 1600-2019-0064-R1)

**Project Location (include county):** The project is located in the community of Fall River Mills at the Pit River, above the confluence with the Fall River in Shasta County; Latitude 41.000969°, Longitude -121.436279°.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2019-0064-R1, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Shasta County Department of Public Works.

The project includes full replacement of the existing bridge over the Pit River on Cassel-Fall River Road with a new 300-foot long and 32.7-foot wide 3-span bridge. The structure will use driven steel H-piles on the western abutment above water level and cast-in drilled hole piles socketed into underlying bedrock within the active channel for two mid-channel piers, as well as for the eastern abutment. Work will include dewatering around each bent before pouring concrete and the construction of a temporary gravel work trestle.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on May 23, 2019 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the  mitigated negative declaration /  negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures  were /  were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan  was /  was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The  mitigated negative declaration /  negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
