Project Title: Salton Sea Species Conservation Habitat Project - Dust Suppression Activities

Project Applicant: N/A

Project Location (include county): Imperial County

**Project Description:**

This Addendum updates the Salton Sea Species Conservation Habitat (SCH) Project Final Environmental Impact Statement/Environmental Impact Report (EIS/EIR), certified in August 2013, to include the SCH Dust Suppression Project. The project involves application of different treatments that reduce emissive dust, including surface roughening, engineered roughness, and application of surfactants. The addition of these changes would not have any significant environmental impacts beyond those already addressed in the Approved Project EIS/EIR or cause a substantial increase in the severity of previously identified significant effects.

This is to advise that the California Natural Resources Agency has approved the above  
 Lead Agency or  Responsible Agency

described project on July 15, 2020 and has made the following determinations regarding the above  
 (date)  
 described project.

1. The project [ will  will not] have a significant effect on the environment.
2.  An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.  
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [ were  were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [ was  was not] adopted for this project.
5. A statement of Overriding Considerations [ was  was not] adopted for this project.
6. Findings [ were  were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
