Subject: Correction to the Draft Environmental Impact Report Executive Summary: Solano 4 Wind Project (State Clearinghouse No. 2019012016)

Review Period: July 23, 2019 to September 6, 2019

This notice concerns the Draft Environmental Impact Report (EIR) Sacramento Municipal Utility District (SMUD) prepared for the proposed Solano 4 Wind Project (Project), located in Solano County. The Draft EIR was posted for public review on July 23, 2019. Although all chapters in the EIR itself are correct, it has come to SMUD's attention that an incorrect version of the Executive Summary was issued with the Draft EIR. SMUD sincerely regrets this mistake and has posted the correct version of the Executive Summary to our website, <https://www.smud.org/CEQA>. Printed copies may be reviewed during normal business hours at SMUD Customer Service Center (6301 S Street, Sacramento, CA 95817), SMUD East Campus Operations Center (4401 Bradshaw Road, Sacramento, CA 95827), and Solano County Library (44 S 2nd St, Rio Vista, CA 94571).

Written comments on the Draft EIR should be submitted to SMUD—Environmental Services, P.O. Box 15830 MS H201, Sacramento, CA 95852-1830, Attn: Ammon Rice; or Ammon.Rice@smud.org before 5:00 p.m. on September 6, 2019.

For more information on the project, please contact Ammon Rice at (916) 732-7466 or Ammon.Rice@smud.org.
