Dear Elected Official:

Notice of Public Hearing and Availability of a Draft Environmental Impact Report/Environmental Assessment for the State Route 1 (SR-1/Lincoln Boulevard) Multimodal Improvements Project

The California Department of Transportation (Caltrans) has completed the Draft Environmental Impact Report/Environmental Assessment (EIR/EA) for the State Route 1 (SR-1/Lincoln Boulevard) Multimodal Improvements Project (project). The proposed project would improve circulation and safety along Lincoln Boulevard by constructing an additional southbound lane, installing sidewalks and protected bicycle lanes, and implementing complete streets and other related improvements along a segment of Lincoln Boulevard between Jefferson Boulevard and just south of Fiji Way. The project location is shown on the map on page three.

The Draft EIR/EA can be viewed at <https://dot.ca.gov/caltrans-near-me/district-7/district-7-programs/d7-environmental-docs>.

A copy of the Draft EIR/EA is also available for viewing during normal business hours at:

- Lloyd Taber-Marina del Rey Library, 4533 Admiralty Way, Marina Del Rey, California 90292
- Los Angeles Department of Transportation, West Los Angeles and Coastal Planning Development Review, 7166 West Manchester Avenue, Los Angeles, California 90045
- Caltrans, District 7, 100 S. Main Street, Los Angeles, CA 90012

Caltrans is currently soliciting written comments from elected officials, public agencies, private entities, and any interested/affected individuals who may want to comment on the environmental document for this project.

An open house meeting will be held on **Thursday, May 23, 2024** between the hours of 6:00 pm and 8:00 pm. Come anytime between 6:00 pm and 8:00 pm. The meeting will be held at the Council District 11 Westchester Field Office, 7166 W. Manchester Avenue, Los Angeles, CA, 90045. The meeting will provide attendees with an

opportunity to learn more information about the Project. Presentation boards will be provided for attendees to review (no formal presentation) and the project team will be available for discussion.

Caltrans strives to work cooperatively with all interested parties in an effort to exchange ideas and to ensure that all factors are considered, and a mutually acceptable project is constructed. Caltrans is pleased to have your ongoing participation in the endeavor. **Please submit any written comments no later than July 11, 2024**, to:

Kelly Ewing-Toledo, Deputy District Director
California Department of Transportation
Division of Environmental Planning
100 South Main St., Suite 100, MS-16A
Los Angeles, CA 90012

Comments can also be sent via email on or before **July 11, 2024** to **LincolnBlvd_Improvements_DEDComments@dot.ca.gov**.

If you have any questions, please contact Kelly Ewing-Toledo at (213) 332-1935. Thank you for your interest in this important transportation project.

Sincerely,

Monica Benavides (May 6, 2024 11:38 PDT)
