Project Location – City: Mammoth Lakes

Project Location – County: Mono

Project Description: The "Rockspring" project consists of a five-story, resort condominium development comprised of 118 resort condominium units with a total of 198 bedrooms. The project features one level of understructure parking for 127 vehicles and an exterior parking area for fourteen vehicles. The site amenities are oriented to condominium owners and guests including approximately 2,200 sq. ft. of restaurant and reception area, accessory retail, fitness center, sauna, flex space, ski valet and lockers, and outdoor pool, spas and courtyard seating. The project, as proposed, is consistent with all applicable development standards of the NVSP and no amendments to the NVSP are requested. The project site is located within the Resort General (RG) zone of the North Village Specific Plan (NVSP) area.

The Rockspring resort condominium development project was found to be in conformance with the existing 1999 SPEIR because the proposed project is consistent with all applicable development standards of the NVSP and is within the scope and intensity of the development that was intended for the site and analyzed in the 1999 SPEIR.
