Project Title: Markleeville Creek Floodplain Restoration Project

Project Applicant: Alpine County

Project Location (include county): Markleeville, Alpine County

Project Description:

The project is intended to re-establish the natural form and function of Markleeville Creek at the site of the former U.S. Forest Service Markleeville Guard Station. The project will re-create the streamside habitat by removing the old bridge abutments, floodwalls, and artificial fill material, and re-vegetating all disturbed areas. In addition, the project will also provide various community benefits including public access for recreation such as walking paths, interpretive signage, picnicking, and parking.

This is to advise that the Alpine County Board of Supervisors has approved the above (Lead Agency or Responsible Agency)

described project on December 3, 2024 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at: Alpine County Community Development Department, 50 Diamond Valley Road, Markleeville, CA 96120
